## ऋणनिर्देश

'खेळिया' आणि 'वाटा - पळवाटा' या दोन नाटकांचा अभ्यास हा प्रकल्प आपल्या समोर सादर करताना आम्हाला अत्यंत आनंद होत आहे. या कामी आम्हाला मराठीच्या प्राध्यापिका डॉ. नीता तोरणे यांचे अनमोल सहकार्य लाभले त्याबद्दल आम्ही त्यांचे ऋणी आहोत, तसेच प्रा. आनंद कोळंबकर, प्रा. अंजली नाईक, प्रा. उगम परब यांनी दिलेले प्रोत्साहन याबद्दलही आम्ही त्यांचे अत्यंत आभारी आहोत. महाविद्यालयीन ग्रंथपाल कु. हर्षा नाईक यांनी आम्हांला वेळोवेळी ग्रंथालयातील पुस्तके उपलब्ध करून दिली त्यासाठी त्यांचेही आम्ही ऋणी आहोत.

आम्हाला हा प्रकल्प पूर्ण करण्यास ज्या व्यक्तींनी प्रत्यक्ष व अप्रत्यक्षपणे सहकार्य केले त्यांचेही आम्ही अत्यंत ऋणी आहोत.

**(In about 250 words)**

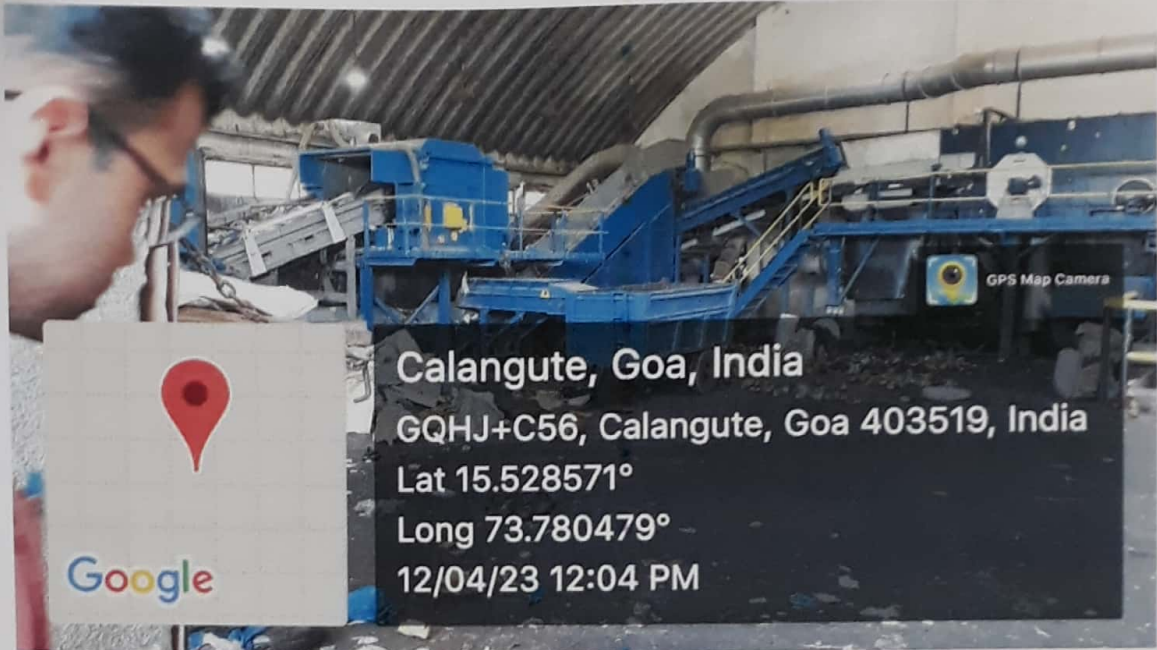

The Department of Geography of S.S.A Govt College of Arts and Commerce, Pernem has conducted a mandatory Environmental study field trip for F.Y.B.Com students (Div: A) on 12<sup>th</sup> April, 2023 at Hindustan Waste Treatment Pvt. Ltd. Saligao, as a part of the EVS syllabus prescribed by Goa University.

The students were taken to the field trip site at 11:15 am, the students were taken into the auditorium to show a short video documentary of how the waste treatment plant started in Saligao. At the commence, the area was quarry site used as a waste dumping site for over 25 year. The construction of the Integrated Solid Waste Management Facility, the land was recovered and restored to its natural condition. The Solid Waste Management started in the year 2016, initiated under the Goa Government. This plant is the most advance plant in entire Asia. It collects the waste from villages of north Goa every day. The students were taken to the plant site, where they have observed how the waste is segregated by using the modern machinery Mr. Nikil (Asst. Engineer at waste treatment plant explained the students about the waste recycling process in the plant. Every day around 240 to 250 tonnes of waste is coming at the plant from different source. This waste is treated daily. Where the waste is converted into the organic fertilizer, bio gas, metal segregation, plastic, paper, etc.

The surrounding natural Environment of the plant is clean with the garden of plants and greenery. The field trip helped the students to understand the how the solid waste is treated

through the direct experiences. It enhanced their knowledge about human environment relationship by understanding sensitivity about the place they visited. Mr. Adrel Gomes (Assistant Professor in Geography) accompanied the students for the study trip. Altogether, total 46 students attend the field trip.

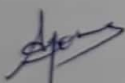

<b>Objectives of the Activity</b>	1.To Strengthen experiential learning of waste treatment process.
	2. To understand the Environment concern with growing quantities of waste.
	3. To learn and apply the techniques of reduce, reuse and recycle waste.

<b>Outcomes of the Activity</b>	1.Students will able to reduce the waste product by recycling and composting.
	2.Students will learn how to prevent pollution and reduce greenhouse gas effect.
	3.Students will learn the causes and effects of solid waste pollution on Environment and human health.

**(In about 250 words)**

The Department of Geography of S.S.A Govt College of Arts and Commerce, Pernem has conducted a mandatory study field trip for F.Y.B.A Geography Generic Elective students on 20/03/2023 at S.V.D Seminar Raia, Big foot and Graca Branca Botanical Garden Lotolim, as a part of the syllabus prescribed by Goa University.

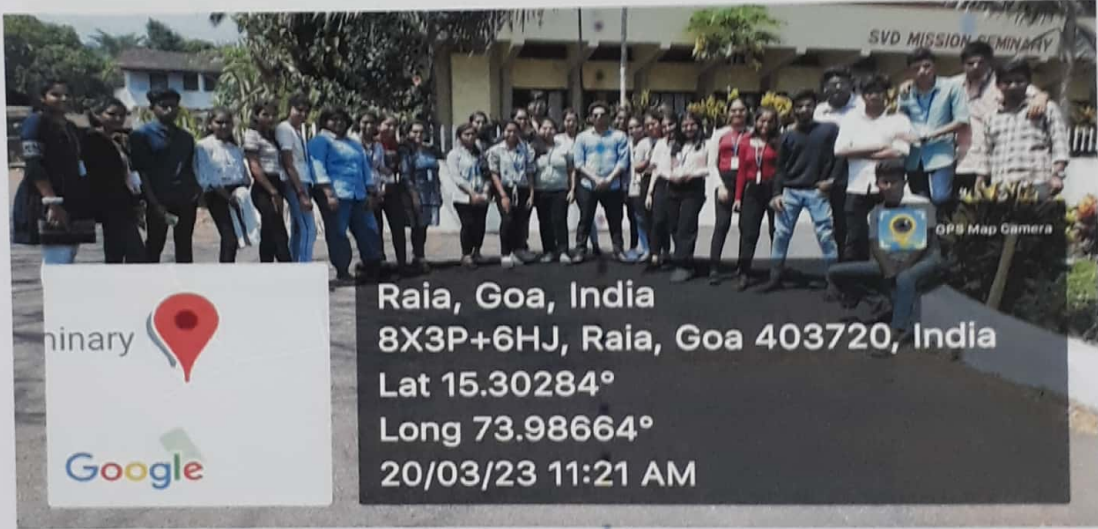

The students and teacher left from the college at 9.00 am to the field trip site. Mr. Adrel Gomes (Asst. Professor in Geography) accompanied the students for the study trip. The students were taken to the S.V.D Seminar Raia to observe the cashew plantation, students observed the modern cashew crushing through machines, fermentation process, and the final process of how the cashew feni is prepared. The students also visited the rubber plantation farm, where the students observed how the rubber sap is collected from the tree and how the rubber sheet are made from the rubber sap. The students also observed the animal husbandry of poultry, dairy, piggery, goatery, ducks and rabbit. The students observed the process of bio gas manufacturing and vermiculture.

The students were taken to second field spot at Bigfoot Lotolim, Students got an opportunity to observe the local cultural life style, traditions, foods of Goa such as Salt pan, Pottery making, basket weavers, toddy tappers, Local feast of Goa, etc. This cultural museum has the longest carving of literite rock in India. The Sculpture belongs to Sant Mirabai carved

by Maendra Jocelino Araujo Alvares within 30 days. Besides cultural aspects, there are local Goan spices, fruits, vegetable, medicines and herbs along with a beautiful butterfly park. The footprint of Mahadar where he stood on the rock while praying remained on the rock leaving a footmark is still preserved over here.

At the end, the students visited the last spot of field trip at Graca Branca Botanical Garden Lotolim. The students observed the different types of species of plants and trees preserved. Most of the ayurvedic plants are seen with the description of their importance to the medicine. There are also bird parks and sit out area.

The field trip helped the students in developing their classroom concept through direct personal experiences. It enhanced their knowledge about the Goan plantation, ayurvedic plants and cultural life style of Goan people.

<b>Objectives of the Activity</b>	To acquire knowledge of different types of agriculture practiced in Goa.
	To observe and understand the cultural life style of Goa.
	To apply classroom learning by making real world connection.

<b>Outcomes of the Activity</b>	To develop students' interest towards the farming in Goa.
	To develop affective feeling towards the culture life style of Goa.
	To create awareness about the different medicinal plants used in Goa.
