The feedback from the students of the college about the Curriculum and subject teachers was taken on record and discussed. The following initiative has been taken on the suggestion given by the Students for the Academic year 2019-20

1. The feedback for teachers given by the students has been shared with the respective teachers.
2. The teachers got less positive remarks have been asked to modify their teaching techniques which would be students centric.
3. A copy of the Feedback analysis and Action taken report will be sent to Goa University for perusal and further course of action.
